

# *SYBARITES' MANIFESTO*

The Ethos By Which We Live

## **WE ARE THE MASTERS OF OUR LIVES**

Spend every day enjoying great food, uplifting music, lively debates and appreciating the foibles of man. Without a constant reminder, we risk living a life dictated by others.

Choose wisely

# *The Sophisticate's Mantra*

- Always seek to enjoy life to the fullest every single day!

Wake up with a smile.

- Always be appreciative - Regardless of how little or how much we have.

- Dictate our high values - We are worth it.

- Buy only what we need and spend only on the highest Quality.

- Never complain - just make things better.

- Never be or feel trapped by money or our pursuit of it.

- Sybarites do not work more than is necessary.

- We do not miss out on life - Our pursuit is happiness.

- We will refrain from becoming insular - we will engage with everyone and widen our cultural awareness

- Sybarites never apologize for wanting the best.

Live and love life - Love yourself and everyone else!
